

HETVEE RABARA

Final-year B.Tech IT student at Dharmsinh Desai University

📞 9426067910 ✉️ rabarahetvee@gmail.com 🔗 [LinkedIn](#) 📍 Gandhinagar, India

PROFESSIONAL SUMMARY

Final-year B.Tech IT student at Dharmsinh Desai University (CGPA: 8.79) skilled in Java, Spring Boot, React, Python, Django, and MySQL. Built full-stack projects including a Placement Portal and College Management System with JWT authentication and REST APIs. Solved 150+ LeetCode problems, 2-star on CodeChef. Certified in SQL, AWS, and DBMS (NPTEL Top 5%).

EDUCATIONS

Dharmsinh Desai University Nadiad <i>B.Tech in Information Technology</i> CGPA: 8.79 / 10.0	2023 - 2027
Modi School Rajkot <i>HSC</i> 95.46 (78.15%)	2021 - 2023
Aum Vidya Mandir Gandhidham <i>SSC</i> 99.32 (94.14%)	2020 - 2021

PROJECTS

Student & TPO Placement Portal  Github Built a full-stack placement portal with role-based access (Student, TPO). Implemented automatic eligibility validation against company criteria, one-job-per-student enforcement, JWT-secured college email authentication, resume upload and application tracking, notice starring with expiry, and exportable placed-student reports to streamline placement operations <i>Technologies / Tools Used : Spring Boot, React, Tailwind CSS, MySQL, Hibernate, JWT</i>	Dec 2025 - Apr 2026
College Management System  Github Academic portal with HOD/Faculty/Student dashboards for attendance, results, assignments, timetables, fees, and role-based authentication. <i>Technologies / Tools Used : Django, Python, SQLite</i>	May 2025 - Jul 2025
Small Restaurant Management System  Github Console-based system for table booking, order processing and billing, with an AWT feedback form and file-based persistence. <i>Technologies / Tools Used : Core Java, OOP, AWT</i>	Jul 2024 - Sep 2024

SKILLS

Databases :	PostgreSQL, MySQL, SQLite
Frameworks & Libraries :	Spring Boot, React, Django
Programming Languages :	Java, C++, C, SQL, Python, JavaScript
Soft Skills :	Problem Solving, Communication
Tools & Platforms :	Git, GitHub, AWS (Basic), Postman
Core Skill :	Data Structures and Algorithms, Object-Oriented Programming, Database Management Systems, Design Patterns, Software Engineering

CERTIFICATIONS

DBMS Certificate (Top 5%)

NPTEL

SQL Certificate

CodeChef

AWS Academy Cloud Foundations

AWS

AWS Academy Machine Learning Foundation

AWS
